## CREAM OF NEWS.

IF IT IS NEW AND TRUE THIS COLUMN HAS IT.

**A Slight Shock—Banker Arrested—Lost an Eye—Assaulted—Short Crop—Crofton Picnic.**

**The Ed Morris Trial.**

The damage suit of Ed Morris' administrator against the L. & N. Railroad was called for trial yesterday. The suit is for \$5,000 damages for the killing of Morris at Casky last year.

**Earthquake Yesterday.**

People in the upper stories of brick buildings felt two distinct shocks of earthquake yesterday morning shortly after 11 o'clock, during a wind storm that blew a strong gale. No serious damage was done by either the atmospheric or seismic disturbance.

**Start Next Tuesday.**

The Christian Endeavor crowd will be made up at St. Louis next Tuesday for the California trip of four weeks. A good many people from this city will go in charge of Mr. Allen D. Wallis, who went to Louisville yesterday to make the final arrangements.

**Bank Teller in Trouble.**

Owensboro, Ky., June 23.—This city was given a great shock this afternoon by the arrest of Henry Hart, who has been Teller in the First National Bank and a trusted employee for many years. The charge against him is an alleged shortage in his accounts of \$2,100, but it is hard for his hundreds of friends to believe it true.

**Not a Hail.**

In the case of Henry Lewis, col., against the L. & N. railroad company, the jury gave defendant \$150 damages. The petition alleged that plaintiff was struck by one of the company's trains and injured, that his express wagon was wrecked and that his horse was also hurt. The accident happened at the Ninth street crossing last fall. He sued for \$500 damages and at the trial at the last term of the court he was awarded \$100. A new trial was granted with the above result.

**Lost an Eye.**

Howell, Ky., June 22.—Mr. J. C. McKnight, one of the most prominent farmers of this vicinity, met with a serious accident which resulted in the loss of an eye. He was repairing the curves on his wheat binder, and as he attempted to cut a copper rivet with a coal chisel, a piece of the rivet struck him in the left eye. He was carried at once to Hopkinsville, where several physicians examined his eye and pronounced the sight as permanently lost.

**Claims To Have Been Assaulted.**

A colored man in the employ of Mr. J. M. Renshaw, named Morton, says that he was assaulted and very roughly handled by some unknown parties near the brick church Monday night. Morton had been to Sinking Fork and claims that several men loaded him to let them ride with him. When he refused they seized him and pulling him from the buggy, beat him into a clump of bushes, where he remained unconscious for a few hours. The team returned at a late hour at night and Morton arrived a few hours later. The story of the assault is discredited by some.

**Hardly Hair a Crop.**

Reports from the various tobacco growing sections of the State indicate a great reduced acreage this year. The farmers of Christian county have set out about half of the usual crop and much of this has died on the hill. There are some few who have not set out a plant, having decided not to grow the weed this year, while others who usually plant from fifty to seventy-five acres, have only about one-tenth of their former acreage. Good rains have fallen over the country this week, but very few plants were set, as they are nearly all dead in the field or are overgrown and worthless.

**Annual Picnic.**

The annual picnic and bandrace at Crofton will occur on Saturday, July 3. Mr. R. E. Long, the manager, and Messrs. Geo. Clark and J. M. Mescham, committee on arrangements, have made every preparation to elegantly entertain a large crowd and the occasion this year promises to eclipse all previous efforts. An excellent string band has been engaged to furnish music and all kinds of refreshments will be supplied on the grounds. At night a grand ball occurs at Bowling's Hall to which everybody is invited.

All the candidates are expected to make speeches and a general good time is promised all those who attend. A balloon ascension is announced to take place after the ball and there will also be fire works. A tremendous crowd from this city will go down to the picnic and many will remain until after the ball at night.

## ASSOCIATION ADJOURNS.

Hopkinsville selected as The Next Place of Meeting.

Georgetown, Ky., June 22.—The General Association of Kentucky Baptists adjourned to-day after a session of four days.

Dr. A. C. Graves of Lebanon read a report on foreign missions. The Southern Baptists gave \$125,000 total coverage, 1,264 missionaries employed, 39 native workers, 43 baptisms for the year, 198. Rev. J. P. Trotter, of Maysville, read the home missions report. Total contributions, \$83,184; number of baptisms, 4,709; number of missionaries, 372; churches established, 139; Sunday schools established, 938. Dr. E. C. Dargan presented the report of the student's fund of the seminary. Rev. Kennedy, colored, spoke on the "Negroes of America," and Rev. Kerfoot took up a collection of \$135 for missions and schools among the colored people. The report of schools and colleges was presented by Prof. Harrison, of Bethel Female College, Hopkinsville, showing 1,500 pupils enrolled; about 190 males, 125 having the ministry in view; 48 seminary at Louisville; 49 at Georgetown Institute; 296 from the whole country at the seminary; 638 enrolled in the schools of the State. Dr. Dargan took up a subscription of \$1,110 for the student's fund of the theological seminary, and 15 collections were promised.

Rev. Z. T. Cody offered the following strong resolution on temperance, which was adopted:

"It is the duty of this body that no person should be retained in the fellowship of a Baptist church who is engaged in the manufacture or sale of intoxicating liquors for beverage purposes. We recommend that the constitution be so changed that no church be allowed representation in its fellowship members engaged in the manufacture or sale of liquor for beverage purposes."

Rev. Fred Hale presented a report of the Baptist Orphan's Home at Louisville: number in home, 88; received since organized, 1,015; from Louisville, 306; from State, 710. A collection was taken and pledges were made by many churches. L. H. Cox, Secretary of the Ministers' Association, presented the financial exhibit and Dr. Boyd, Chairman of the committee, presented his report. The Association adjourned to meet next year at Hopkinsville.

**Fifty Five Hundred.**

The crowd of Confederate veterans and their friends that left here on the special train Tuesday morning for Nashville, was estimated at about 500. Several hundred persons came in the city over the O. V. on a special train at 9 o'clock and marched to the L. & N. depot, where they boarded a special of nine coaches. The crowd was considerably swelled in members by parties who got aboard at Pembroke, Trenton and other points further south.

Bivouacs from Trigg, Caldwell, Lyon, Union, Crittenden, and Hopkins, as well as this county, were well represented.

Among the members of the Ned Merrivether Bivouac who left on the train were the following:

C. F. Jarrett, commander; Capt. Darwin Bell, Capt. C. D. Bell, Nat. Gaither, M. H. Nelson, Sr., Robt. B. Hall, R. W. Vaughan, Dr. W. Williams, D. M. Whitaker, Charles L. Campbell, J. C. Marquess, John Decker, J. W. Patillo, E. D. Jones, H. H. Bryant, Capt. R. S. Pool, F. M. Whitlow, A. H. Johnson, T. G. Gaines, Maj. O. Ferrell, Prof. Jas. G. Bramham & C. Morefield, J. C. Adecock, Dr. J. M. Dennis, Judge W. P. Winfree, T. M. Brodridge, Julien Boxley, John C. Boxley, James R. Willis, V. A. Garnett, W. W. Garnett, J. P. Garuett, R. R. Lloyd, P. C. Richardson, G. C. Cantrell, William Harrison & H. Morris.

Among the ladies accompanying the local bivouac were Mesdames M. H. Nelson, C. L. Campbell, C. F. Jarrett, Nat. Gaither, W. F. Randolph, Misses Mary Park, Katie Manson, Lottie Gunn, Daisy Williams, Bessie Leavell, Fannie Bramham, Mable Walker, Addie Brodridge, Elsie Kimberling, Fannie May Hayes, Mary i o an, Lottii Jalloway.

The crowd was a merry one and the trip to Nashville was made with out accident or delay.

**FOUND THEM DEAD.**

**A Father at Henderson, Kentucky Opens a Trunk Too Late.**

Henderson, Ky., June 23.—When an old trunk was opened in the home of Joseph Mellon, near Bradley, in Madison county the father found his two little girls in it smothered to death, Laura, 7, and Jennie 6.

While their parents were absent the children had been playing "hide and seek" with three other tots. While searching for a good hiding place the two evidently thought of an old trunk in the rear garden and into it closed the lid. A spring lock made it an airless tomb.

## GARROTT CASE.

LIST OF THE JURORS EMpaneLED MONDAY.

The Case Given To The Jury Wednesday Afternoon—An Assault on a Hung Jury Expected.

Nearly all of this week was taken up in circuit court up to Thursday in trying the case of Cifin W. Garrott killing Tom Leavell, at Longview, last fall.

A jury was empaneled without any very great trouble, eight jurors being secured from the regular panel. The following is a list of the jurors, the four last named being from the by-standers:

W. E. Adecock, T. J. Haddock, E. W. Walker, C. H. Harrison, W. H. Sizemore, C. P. Nolen, F. M. Aider, Mack Denton, O. B. Griffin, W. H. Anderson, J. G. Hord and J. W. Tucker.

The examination of witnesses occupied most of Monday and Tuesday. The defense was conducted by Feland & Son and C. H. Bush, the prosecution by Commonwealth's Attorney Garnett and County Attorney Anderson.

The facts in the case were substantially as reported in the KENTUCKIAN at the time. Garrott had borrowed a scalding tub from Mr. Fields, which was at Reuben Leavell's. He sent his wagon after it and Leavell refused to let it up until he had killed his own hog, he having failed to kill on the day for which he had borrowed the tub. Garrott then went after the tub himself and when he attempted to drive into Leavell's lot, Leavell and three or four of his grown sons attacked him. A scuffle ensued and Garrott drew his pistol and shot old man Leavell and his son Tom, one of them being shot from the ground, as Garrott fell or was thrown down. He threw the loads out of his pistol just as it was taken from him and got up and took to his heels while one of the negroes was trying to shoot him with the empty pistol. Tom Leavell died and Reuben was down for some time from his wounds, but recovered.

Garrott is a small but heavy set young man. The fact that he was beset by four or five stalwart negro men made his plea of self-defense a strong one from the start and his case was made out in a clear and convincing manner.

All of the attorneys on both sides made speeches, that of Mr. Garnett being in his usual severe and vigorous style.

The general opinion of those who heard the trial through is that the verdict will be an acquittal or a hung jury. As we went to press the jury was still out.

**Forgot To Pay His Bill.**

On June 14 a young stranger registered at the Phoenix Hotel as W. R. Rae, Chicago, Ill., claiming to be a music drummer for Appleton & Co., Cincinnati. He was about 27 years old, low and heavy set, with a beardless face and long Paderewski hair. He asked for the best room in the house and ordered a meal, the bill charged on his bill. He soon got in communication with some of the best known musicians about town and it is said he took numerous orders for music. During the week he made such a fine impression on W. L. Bamberger that Bill in a burst of confidence loaned him a fire engine. On last Sunday morning Rae went to a barber-shop and parted with his long flowing locks. He looked quite dressey all day, but Sunday night he was the last he spent in the hotel. He got up for the early train Monday morning, gave before the clerk could give him directions how to catch his train and evacuated the city, forgetting to pay his bill or return the little fire to Mr. Bamberger. He left an empty valise and a walking cane in his room and Mr. Cooper is not altogether without hopes that he may call for them some day. Mr. Cooper wants to see him \$14 worth.

**BOLD EXPRESS ROBBERY.**

**A Lone Bandit Secures \$250 From Messenger Stranoun.**

Russellville, Ky., June 22.—Train No. 102 on the Louisville and Nashville railroad, from Memphis to Louisville, was robbed at St. Bethlehem, nine miles south of Guthrie, the night of about 9:45 o'clock. A black man over his face went into the express car and held up the messenger, L. C. Brannon, and secured \$250 worth of money and valuables. He then jumped out of the car door and went off into the country. Bloodhounds on the track and the railroad officials are doing all they can to capture the thief.

The train 102 left Memphis at 2 o'clock this afternoon and is expected at Louisville at 3:31 a. m. Wednesday. It is supposed the robber boarded the train at Clarksville.

The passengers were not disturbed and knew nothing of the robbery until it was reported by the messenger.

CLERK COURT OF APPEALS,  
 SAM J. SHACKELFORD,  
 of Daviess.

CIRCUIT JUDGE,  
 THOMAS P. COOK,  
 of Callaway.

COMMONWEALTH'S ATTORNEY,  
 W. R. HOWELL,  
 of Christian.

Democrats, free silver Republicans  
 and Populists are all holding State  
 conventions at Des Moines, Iowa.

There is said to be no chance for  
 this consideration at this session of  
 any of the bills that have been intro-  
 duced in Congress for the repeal of  
 civil service law.

The Colorado Legislature has re-  
 pealed the statute making the Fourth  
 of July, Thanksgiving Day, Christ-  
 mas, New Year's, Washington's birth-  
 day and Memorial Day legal holi-  
 days.

The city council of Henderson has  
 passed an ordinance to issue \$471,000  
 in bonds to refund the bonded in-  
 debtedness of that city. The bonds  
 are payable in the lawful money of  
 the United States.

B. F. Havens, who represented In-  
 diana at the World's Fair as execu-  
 tive commissioner, has brought suit  
 against the state for \$1,496, which, he  
 says, he expended in entertaining  
 distinguished guest, who called at the  
 Indiana building.

When asked by a Washington cor-  
 respondent about reports that he had  
 pledged himself not to run for Con-  
 gress, Dr. Clark replied that he  
 probably would not make the race  
 again but nobody was authorized to  
 say so.

The court of appeals at Frankfort  
 has decided that Estill county must  
 pay the \$50,000 which it subscribed  
 to the R. N. & B. railroad. The  
 county agreed to pay this amount if  
 the road was completed to Irvine on  
 a certain day, but afterward resisted  
 the payment.

Acting Gov. Worthington has ap-  
 pointed Mrs. Nora Kelly, of Greenup  
 county, a Commissioner from Ken-  
 tucky to the National Board of  
 Charities, which convenes at Toronto  
 on July 7, in place of Mrs. Frances  
 Beauchamp, of Lexington, who had  
 been compelled to decline the ap-  
 pointment.

Dr. Hunter gets the following rap-  
 port from the Elkton Times:

"Hunter and his crowd have about  
 come to the conclusion that they will  
 be unable to swindle John Rhea out  
 of his seat in congress, and Godfrey  
 talks of going west. God pity the  
 afflicted westerner."

The General Association of Ken-  
 tucky Baptists at Georgetown adopted  
 a resolution declaring that no one  
 engaged in the manufacture or sale  
 of intoxicating liquors should be re-  
 taining and such members should be  
 denied representation in the associa-  
 tion. The association meets in this  
 city next year.

The Ohio Republicans in their  
 State platform include in the same  
 old declarations for "sound money"  
 and protection, uphold McKinley's  
 annexation policy and declare for  
 more pensions and less civil service  
 reform. The Democrats could have  
 asked no more. The issue is clearly  
 drawn and Ohio will be redeemed  
 this very year.

Of course Gen. Buckner was not a  
 serious factor in the race for comman-  
 der of the Confederate Veterans' As-  
 sociation. Like Longstreet and Ma-  
 hone, he turned against the people of  
 the South and not only forfeited  
 their love but their respect as well.  
 During the remaining years of  
 Gen. Buckner's life, he will find  
 when he emerges from the obscurity  
 for which he is so well suited that his  
 popularity is gone and that those  
 and pot cheers will greet him, as  
 was the case at Nashville this week.

The Dispatch has already done a  
 great work for the Democratic party.  
 It has restored harmony in the city  
 of Louisville to such an extent that  
 the election of the Democratic ticket  
 is confidently predicted on all sides.  
 In the primary this week 14,000 votes  
 were cast, within 2,700 votes of the  
 entire Democratic vote last year. The  
 Dispatch is proving itself to be an  
 able, efficient party organ, staunchly  
 partisan but at the same time con-  
 servative in its treatment of enemies  
 formerly within the party, and the de-  
 serters are being brought back into  
 the fold. The Times and Post will  
 both support the ticket this year and  
 the Courier Journal also may accept  
 the leadership of the Dispatch.

There has never been such a gath-  
 ering of the unopinioned heroes of  
 the South, as the present reunion of  
 Confederate Veterans at Nashville.  
 To behold a vast sea of white heads  
 filling the ten thousand seats in the  
 tabernacle was a sight never to be for-  
 gotten and every tax-payer must have  
 felt respect for this body of men,  
 whether he sympathized with their  
 cause or not for these are battle-  
 scarred veterans who not only  
 fought for their homes and firesides  
 but when the war was over went to  
 work and have supported them-  
 selves without public assistance  
 but have been burdened with taxation.

By a vote of 106 to 78, the General  
 Baptist Association asked the Trus-  
 tees of the Southern Baptist Semi-  
 nary at Louisville to remove Dr. W.  
 H. Whittitt as President. The resolu-  
 tion was as follows:

Resolved, First—That the trustees  
 of the seminary from Kentucky be  
 requested to urge, insist upon and  
 vote for the retirement of Dr. W. H.  
 Whittitt from the institution and  
 from the chair of church history.

The hemp schedule as amended by  
 the Senate stands: Hemp and hemp  
 tow, \$20 per ton. The Senate struck  
 out the curled tow rates and put  
 dressed line at \$40 per ton. This  
 schedule is a reduction over the rates  
 secured in the House by Representa-  
 tive Evans, which were: Hemp, \$25  
 per ton; hemp tow, one cent per  
 pound; hemp tow, dressed, one-half  
 cent per pound; carded line, \$50  
 per ton.

## Battle Between Snakes.

Mr. J. A. Clark, keeper of the  
 County Poor-house, and Ed Mitchell  
 witnessed a sight on their way to  
 town that is not often seen nowadays.  
 In the road, just ahead of them, they  
 saw a wad of snakes, writhed, rolled  
 and twisted about each other until  
 they could not tell how many there  
 were or anything else about them.  
 Mr. Clark got out and examined the  
 bunch closely. He found a black  
 snake of the racer variety and a copper  
 head in close quarters. The latter  
 was already dying from the fearful  
 embrace of his sable enemy and a  
 large frog was protruding from its  
 mouth. It was this that had caused  
 the combat. The black snake is an  
 enemy of all poisonous snakes and  
 kills them wherever found, and it is  
 also a robber, forcing other reptiles to  
 disgorge recently swallowed prey and  
 appropriating it to its own use.

Mr. Clark brought the dead cop-  
 perhead to town where it attracted  
 the attention of the crowd. It showed  
 signs of the fearful constriction of the  
 racer, the skin being crushed off in  
 several places.—Oreosboro Inquirer.

The stockholders of the Bank of  
 Louisville met in the Sayre Bank Tues-  
 day and heard a proposition from  
 President Peers to reduce the capital  
 of the Bank of Louisville from  
 \$800,000 to \$350,000. The stockhold-  
 ers voted in the affirmative on the  
 question.

 thirty-nine grandchildren and forty-  
 four great-grandchildren, now living.

There is more Catarrh in this sec-  
 tion of the country than all other  
 diseases put together, and until the  
 last few years it was supposed to be  
 incurable. For a great many years  
 doctors pronounced it a local disease,  
 and prescribed local remedies, and  
 by constantly failing to cure with local  
 treatment, pronounced it incur-  
 able. Science has proved catarrh to be  
 a constitutional disease, and there-  
 fore requires constitutional treatment.  
 Hall's Catarrh Cure, manufactured  
 by F. E. Cheney & Co., Toledo, Ohio,  
 is the only constitutional cure

Hobart and the Coal Trust.

A special committee of the Pennsylv-  
 ania Legislature after investigating  
 the condition of the miners in that  
 State reports a great laboring class  
 which no one a few years ago would  
 have believed possible in this country.  
 The majority of the miners are work-  
 ing at an average wage of four dollars  
 per week. Nearly all of them have  
 families to support. But to make their  
 condition more distressing the wage is  
 rarely paid in money. The company  
 store and company tenement absorb-  
 ing all of it and more, and keeping the  
 wretched laborers in constant  
 debt to their employers.

The committee recommends a law  
 abolishing the Truck store, and com-  
 peling semi-monthly payment of  
 wages in cash. It must be remem-  
 bered, however, that the anthracite  
 mines are owned by a Trust, of which  
 Vice-President Hobart and J. Pier-  
 pont Morgan are conspicuous mem-  
 bers. It is doubtful if such a bill can  
 pass the Pennsylvania Legislature,  
 but it is not doubtful that the Pennsylv-  
 ania Supreme Court would de-  
 clare such a law unconstitutional.

No wonder Pennsylvania went for  
 McKinley last fall. Independence in  
 politics and slavery do not go togeth-  
 er.—Henderson Gleaser.

## Confederate Veterans' Reunion.

Nashville, Tenn., June 23.—The  
 seventh annual re-union of the United  
 Confederate Veterans ended this  
 evening at 7 o'clock, so far as busi-  
 ness was concerned, and to-morrow  
 comes the big parade. The re-union  
 was great in every way. It was the  
 largest re-union the veterans have  
 ever had; it brought to Nashville  
 the greatest crowds that have ever  
 been here and led to the greatest at-  
 tendance the Centennial Exposition  
 has ever had. As to enthusiasm, there  
 are statistics. The day was full  
 of events, stirring scenes, happy  
 meetings of friends long separated,  
 and will ever be cherished in the  
 memory of those who attended. The  
 railroad passed the forty thousand  
 mark to-day and the number of re-  
 turns here is indicated by the fact  
 that all of the 16,000 badges printed  
 have been given out.

The unanimous re-election of Gen.  
 John B. Gordon to be Commander-in-  
 Chief was no surprise. His at-  
 tempt to make way for the election of  
 some other veteran was not due to an  
 unwillingness to serve, and the veter-  
 ans knew it, and with a genuine out-  
 burst of enthusiasm unanimously re-  
 elected him.

When the roll was called Atlanta  
 received 1,015, Louisville 544, and  
 Baltimore 176. Tennessee voted solidly  
 for Louisville, 125, and Kentucky's  
 vote of 122 was, of course, solid, and  
 the other vote Louisville received was  
 scattering.

To Members of the National Building and  
 Loan Association—Hopkinsville Branch.  
 You have doubtless noticed the de-  
 cision in the Court of Appeals in re-  
 ference to Building Associations, and  
 we wish to say there is no need for  
 alarm or uneasiness, as we can meet  
 all the requirements of this decision  
 and go on in business safely and  
 profitably.

The matter is not so near serious or  
 injurious to a legitimate Building and  
 Loan business as some of the news-  
 papers would make it appear. Be as-  
 sured that the only course to pursue  
 is to go right forward with regular  
 payments as usual, and we will pro-  
 ceed as soon as the matter is fully  
 determined to adjust our affairs  
 strictly in accordance with the rul-  
 ings of the court, and every mem-  
 ber will be fully protected and the busi-  
 ness need not in the least be distur-  
 bed. That is the member that can be  
 hurt is the party who lags behind  
 and has to pay fines for non-payment  
 dues, etc., at the proper time.

Members will please deposit pass-  
 books with us to be forwarded to the  
 home office in July to be posted.  
 We are doing business at the same  
 old stand fully prepared to meet the  
 demands made upon us for money,  
 including a reasonable amount of  
 good loans. We want none but the  
 best, and are ready to take care of  
 good ones.

WALTER F. GARNETT & Co.,

## THE LOUISVILLE PRIMARY.

Weaver; for judge common pleas division circuit court, Emmett Field; for judge chancery division, circuit court, Shackleford Miller, (doubt); for judge criminal division, circuit court, Henry S. Barker; for judge equity law and equity division, circuit court, Sterling B. Toney; for judge county court, James P. Gregory; for commonwealth's attorney, Frank Pargis; for clerk circuit court, John S. Cain, (doubt); for clerk county court, William P. Johnson; for coroner, Dr. Hugh McCullough; for county assessor, W. J. Nominer; for judge, J. R. Pfanz; for sheriff, Henry A. Bell; for county surveyor, Robert H. Young; for county attorney, Morton V. Joyce; for city tax receiver, James B. Camp; for city treasurer, Stuart R. Young; for city auditor, Charles Neumeyer; for judge city court, R. H. Thompson; for prosecuting attorney city court, W. T. Thurman; for clerk city court, Alf V. Oldham; for bailiff city court, William B. Park; for clerk of court, Louis Seelbach, John B. Costleman and Thomas H. Shirley. Full ticket for councilman and Alderman and other minor offices also nominated. About 4,000 votes were polled and it is believed the ticket named can easily be elected.

## THE TIMES AND POST.

It is conceded by all fair minded men that the primary election yesterday was one of the fairest and most satisfactory ever held in the city. Each candidate was afforded plain and ample opportunities for securing votes, and while many of the races were very close, the party whose ticket chosen is made up of the men desired by a majority of the Democratic voters. There is cause for gratification too in the fact that the candidates selected compose, in the main, an admirable body of men, comparing favorably in point of competency and character with any set of aspirants for office hitherto presented to the local voters. In the case of the more important offices the nominees are men of standing, well known to the public and worthy to inspire confidence and support. The Republicans can not find in their ranks material for a ticket as commendable in its personnel as that selected yesterday, and its election in November will result in a vast improvement in the local government of this city and county.—Times.

The Democratic party has acted. Its ticket does not need to be defended or explained. It is not a personal ticket; it is not an irresponsible factional ticket; it is a ticket of a great party with great interest at stake. It makes its appeal first to its party followers and then, as a great party should, it appeals to the public at large for support of a policy dealing directly with municipal matters; a policy best stated in the character of the nominees.

It has taken a long pull and a strong pull and a pull altogether to get the Democratic party in Louisville out of the mire, but yesterday's nominations have placed the people's party on firm ground, from which its members will march to a glorious victory in November next.—Post.

## Was His Own Surgeon.

Yesterday morning about 8 o'clock some of the yard crew at the O. V. discovered the bloody corpse of a negro man in an old caboose on the side track near Clark street. The corpse was identified as that of John Bennett, a negro man whose age was about 38 years. Coroner Sandefer upon being notified had the body removed to the undertaker for the purpose of the Henderson Coffin & Embalming Co., where the inquest was held. When the body was found, it was kneeling upon the floor of the caboose, and the evidence before the coroner's jury showed that he had died to death from cut inflicted by his own hand, but not with suicidal intent. Dr. Lieber and Dr. Dixon both testified in the case. It seems that Bennett had been afflicted with a diseased artery which had caused a blood sack to form on his back, which was very painful and the coroner drawn was that he attempted to alleviate this pain by puncturing it with a knife, which opened the artery, causing him to bleed to death in a short while.—Henderson Gleaser.

## Getting Ready For Business.

The work on the Acme Mills Co.'s new building is progressing rapidly and the mill will be done by the middle of July and the building ready for the machinery. The walls are of red brick, uniform in color and handsome in appearance. The mill building proper is four stories and the warehouse two stories. The contract has been let to Nordyke & Marmon, of Indianapolis, Ind., one of the largest building contracting houses in the United States, for a full line of machinery of the capacity of 300 barrels of flour a day. The machinery is now being used and will be ready for shipment about July 15th. The mill will be ready to begin operations about the middle of August.

The company has built a large warehouse adjoining the mill for wheat storage and has rented the Deaton coal office and store on the street and Messrs. R. H. DeTreville and Jno. B. Galbreath will be on hand at the opening of the season to buy wheat. The plan was to have the mill be one of the finest mills in the South.

## FOUR MEN IN JAIL.

All on Account of the Recent Frankel Failure at Horsehead.

Morganfield, Ky., June 22.—The Frankel assignment grows more and more sensational. Two more arrests were made in Henderson last night, and the warrant has been changed from a civil to a criminal charge. The arrests were of Alex. Soffel, Phil Levenson and Alex. Scottish. Elmer Ladd went to Henderson and made the arrests at a late hour last night. Levenson is a dry goods and clothing merchant of this city. There are now four men in jail as a result of the assignment—Max Frankel, S. Heckert, Phil Levenson and Alex. Soffel. It may be that other arrests will follow. The charge now against them is obtaining goods under false pretenses. The examining trial will be held Friday next. The House, S. B. Vance and Robert Vase, of Henderson, attorneys for Levenson and Scottish, were here today and endeavored to quash the warrant, but failed. All of the accused went to jail. It is thought they could have given bond, but went to jail, so that they could have suits for damages in the event of their acquittal.

## Mob After a Negro.

Eddyville, Ky., June 23.—Eddyville was thrown into a fever of excitement last evening by the discovery that Sam Miller, a negro, had attempted to assault the little daughter of John B. Withers some time during the forenoon. The little girl, who is only five years old, was playing around near her home, where Miller was chopping wood, when the brute suddenly assaulted her. The child's cries frightened the negro and he released her, but threatened her and warned her not to tell anyone what he tried to do. In terror of the negro no doubt, the child did not disclose to anyone the fiendish attempt he had made until this evening, when she told her mother of it. As soon as the father learned of the matter he started in search of Miller, and finding him in the street, attacked him with a knife and would probably have killed him had it not been for the interference of bystanders, who did not understand the cause of the attack. This interference gave Miller an opportunity to escape. The negro surrendered this morning. It is said, and is now being kept away from town, by the officers to prevent violence. It is understood the negro denies the charge, but there is such intense excitement the negro will be sent to another county and taken away secretly to save him from the mob.

## Two Famous Log Cabins.

At the Tennessee Centennial Exposition are to be exhibited the old cabin birthplaces of two famous American citizens. These cabins are genuine, as certified by affidavits in the possession of the owner and exhibitor.

Rev. J. W. Bigham, a Methodist minister, while traveling a circuit which embraced parts of Todd and Hardin counties, Ky., bought the two log cabins and the land on which they stood. One of the cabins was built by Tom Lincoln, and in it he lived with his wife, Nancy Hanks. In this cabin, without a floor, Abe Lincoln was born in the year 1809. Every log, except a few that did not withstand the ravages of time and the weather, is preserved.

The other cabin is one in which the President of the late Confederacy was born. It came from near Fairview, Todd county, Ky. Mr. Dixon was born there in 1805, and when 66 years old was given a banquet by old citizens of Fairview in the very cabin. In responding to a toast he referred to the fact that he had stood in the halls of Montezuma, in the halls of Congress, and in a patriotic place in America and other countries, but none of these had stirred his emotions as much as when once again standing in the old cabin in which he was born.—Nashville Banner.

## The Modern Beauty

Thrives on good food and sunshine, with plenty of exercise in the open air. Her form glows with health and her face blooms with its beauty. If her system needs the cleansing of a laxative remedy, she uses the gentle and pleasant Syrup of Figs. Made by the California Fig Syrup Company.

## Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper, gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed, everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

On Tuesday morning the newly married couple left for Hyacinth Springs, where they spent the day. They returned at night and have taken rooms at Mr. W. T. Vaughan's, on Campbell street.

## REV. HENRY G. PERRY, LL D.

Derives Immediate, Lasting Benefit From Paine's Celery Compound.

Few professional men have had the varied, helpful, successful career of Rev. Henry G. Perry, of Chicago. A native of Philadelphia he became an honor man of Kenyon college; was admitted to the Ohio bar and licensed by the supreme court of Illinois; served as U. S. chaplain under Gen. Davidson in the civil war. He edited the Pacific Christianian in San Francisco and became pastor of Trinity church in that city, and in 1870 took charge of St. Paul's, now the pro-cathedral of Springfield, Ill. Dr. Perry is now the second senior priest in the city residence in Chicago. He writes the following letter: "Chicago, Ill., April 6, 1897. Messrs. Wells, Richardson & Co. Dear Sirs.—Having suffered severely from the grippe during the winter, last month I began taking Paine's celery compound, at the urgent instance of a friend who recommended it very highly. I soon felt its beneficial effects, and deem it a speedy and excellent remedy in such cases; so much so that I freely send you this endorsement, and commend its use to all similar sufferers. It is a boon to the sick. Truly Yours, Henry G. Perry." Paine's celery compound can be trusted to make one well. The extensive account from near friends and relatives whom it has cured of indigestion and other troubles or a general "run-down" state of health gives assurance to thousands of the marvellous power of this greatest of remedies.

A thorough building up the disordered nervous system follows the use of Paine's celery compound. It dispels harmful humors from the blood, and increases its volume and at the same time its nourishing capacity. The powerful Paine's celery compound over 40 years, skin diseases, headaches, kidney derangements and other disorders, is unquestioned by the most competent authorities.

Don't suffer from headache's despondent looks, melancholia or any form of depression that comes from indigestion or liver disorder. Trust Paine's celery compound. You will be the first person, nor the second, nor the hundredth nor the thousandth, it has permanently and speedily cured of the same trouble. The nervous system when deranged is like a clock without a balance wheel that goes too fast and strikes every few minutes. The nerves need to be regulated or they quickly "run down" just as a clock would do. The regular, unobtrusive tie-tie-tie of the heart, meaning that it is working in a healthy manner, is a sign of a healthy nervous system. The regular, unobtrusive tie-tie-tie of the heart, meaning that it is working in a healthy manner, is a sign of a healthy nervous system.

At the first indication of deficient nerve force, be it heart trouble or nervousness, Paine's celery compound should be used to supply the needed vigor, build up the wanting vitality, drive out disease and guard against future mischief.
